## 2011 Winter Patrol Service

---

The patrollers will perform a complete inspection of your cottage and outbuildings. Any damage due to vandalism or weather will be reported to you with a call or e-mail. If a break in is discovered, the patrollers will contact the Police and the cottage owner. Please ensure the FBBA has your current winter telephone number and e-mail address. The patrollers will cover openings with plastic, but will not make repairs. It is the responsibility of the cottage owner to arrange for any repairs.

As part of the inspection, the patrollers will check each door to ensure that it is properly locked. If you plan to leave your doors unlocked, as some cottagers choose to do, please inform the McPhees at 519-935-3961 to prevent any unnecessary calls.

Snow load on the roofs of cottages and outbuildings will be checked visually. The patrollers ask that on the membership form you indicate at what depth you want to be notified. Please keep in mind that snow load can change dramatically between inspections. It is advised that you monitor weather conditions/forecasts for the area.

The patrollers have passed on some tips for reducing the risk of vandalism to your cottage.

- Secure windows & doors with wooden shutters, especially sliding windows that are easily forced open.  
USE A BAR OR ROD ON SLIDING WINDOWS AND PATIO DOORS TO PREVENT THEM FROM BEING FORCED OPEN
- Use strong locks on doors, or put a padlock on the screen door.
- Never leave any evidence of alcohol visible in your cottage.
- It is best to remove valuables such as televisions, stereos and computers, but if you use your cottage over the winter and leave them there, make sure they cannot be seen from the outside.

Requests for winter patrol must be received before Dec 31<sup>st</sup>, 2011. We are unable to add any cottages after that date, with the exception of new cottage purchases closing after Dec 31, 2011. Thank you for your cooperation.

**NOTE: Some insurance companies are offering a discount if you have the service. Check your policy.**

**The volunteer directors of SCOI and FBBA administer the winter patrol service as a member benefit and assume no liability with this agreement. Your contract is with Sandy & Bett McPhee and they can be reached at 519-935-3961 or [bettmcphee@hotmail.com](mailto:bettmcphee@hotmail.com).**

### What is SCOI - Saugeen Cottagers Organization Incorporated?

President: David Collie  
Vice President: Rob McLaughlin  
Secretary Treasurer: Peter Moore

SCOI deals with the Saugeen First Nations Band on behalf of all four Associations. The SCOI website is [www.scoi.ca](http://www.scoi.ca).

There are four distinct cottage areas on the Saugeen lands and each has their own cottage association. SCOI is the umbrella organization for the four associations

- Chief's Point (north of Sauble)
- South Sauble (starting where cars can drive on the beach to Sauble)
- French Bay (between Block B and South Sauble)
- Block B (on the lakefront north of Southampton)
- All members of the local associations are also members of SCOI. Each association has two Directors on the SCOI board.
